Biography:

Patrick is an Of Counsel in the Asset Finance group, based in our London office.

Patrick specialises in transportation finance and regularly advises banks, borrowers, operators, funds and other investors on transactions in the aircraft, rail and shipping sectors. His experience covers an extensive range of financing structures, including export credit-backed loans and leases, Shari'a compliant structures, asset based facilities, general corporate facilities, leveraged acquisition facilities, capital markets and structured finance transactions.

Patrick has worked in the firm's London, Greek and Singaporean offices and has undertaken two secondments to DVB Bank, a specialist transportation financier.
