Biography:

Pierre is an Associate in the Corporate team in Paris.

Pierre focuses his practice on corporate matters, mergers and acquisitions, and projects in the energy sector. He advises investment funds, sponsors and developers on both domestic and cross-border disposals, acquisitions, joint ventures, project development and financing transactions.

He also gained experience in negotiating project agreements in the renewable energy sector.

Pierre previously worked in another global law firm in Paris. He graduated from Sciences Po Paris in Economic Law and holds a Master degree in Business Law from the University of Paris-Dauphine. He also completed an LL.M. degree (Master in Law) at the Centre for Energy, Petroleum and Mineral Law and Policy from the University of Dundee in Scotland.
