Biography:

Ravinder is a Partner in the Energy Group.

Ravinder specialises in corporate and commercial work, including cross-border and domestic mergers, acquisitions and disposals, joint ventures, equity fundraisings, corporate restructuring and regulatory matters.

Her practice focusses on both renewable and conventional energy transactions. She has special expertise advising on the sale of UK offshore transmission assets as part of the OFTO tender process run by Ofgem.

Recommended by legal directories Legal 500 UK and IFLR 1000, Ravinder was also one of only seven lawyers nominated to A Word About Wind magazine's inaugural Women's Power List 2017, which recognised the leading 100 women in the wind sector worldwide.
