Biography:

Robert is a Partner in the Maritime Group.

A commercial contracts and dispute resolution specialist, Robert's expertise spans a broad range of industry sectors, with a particular focus on shipbuilding and offshore construction. Most recently he has also been heavily engaged on a number of high-profile cruise newbuilding projects.

His clients include leading shipowners, offshore contractors and well-known shipyards.

Robert is recommended for his expertise by legal directories Chambers UK and Legal 500 UK. In 2019, Legal 500 reported that he has a "well-deserved reputation as a brilliant lawyer and tough negotiator".
