Biography:

Simon is an Associate in the corporate group, based in Dubai.

Simon practices general corporate law and specialises in M&A (including cross-border) transactions, group reorganisations, joint ventures, corporate finance and related commercial transactions.

He regularly advises government entities, corporates and private equity funds on both regional and cross-border transactions.

He has multi-sector experience, with recent transactional experience including renewable energy and infrastructure sector projects.

He has also been recognised as a notable practitioner by ILFR1000 for Corporate and M&A.

Before relocating to the Dubai office, Simon worked in the London corporate team.
