Biography:

Tanja is a Managing Associate in in the Corporate team based in Hamburg.

Tanja is a transaction specialist who offers the full remit of corporate and M&A expertise to a wide range of clients in the industrial, energy and real estate markets, including real estate and renewable energy development projects.

With a strong sector insight, Tanja advises on national and international transactions, both sell-and buy-side, including equity and asset acquisitions and dispositions, auction transactions, leveraged buy-outs and carve-out transactions. She has a particular focus on structuring and implementing all permutations of joint ventures including commercial contracts, entity joint ventures, and strategic alliances, in particular in the offshore wind energy market.

Tanja is experienced in all aspects of corporate matters and of governance counselling throughout a company's life cycle. She also handles for clients legal challenges arising from general commercial law and contract matters.

Tanja's clients include mid-cap companies, financial investors, utilities, banks and project developers. She has a particular emphasis on handling cross-border transactions between Germany and France.
