## **Biography:**

### **Tom is a Partner in the Dispute Resolution Group.**

Tom is an experienced litigator who has handled many complex multi-party and multi-jurisdictional disputes.

He has extensive experience in domestic and international banking, financial services and structured finance litigation, including acting for servicers, special servicers, trustees and issuers.

Tom also advises financial institutions on litigation strategy in the context of defaults and restructurings, fund and asset management and pensions litigation, as well as advising in relation to competition/antitrust litigation and aviation disputes.

Tom is recommended for his banking litigation expertise by legal directory Legal 500 UK.
