Biography:

Thomas is an Associate in the dispute resolution team based in Dubai.

He specialises in commercial dispute resolution, with experience in commercial litigation and various arbitration forums (e.g. LMAA, LCIA).

He has particular experience in the maritime sector, advising banks and shipowners on contentious matters involving charterparties, guarantees and finance documents as well as offshore construction companies in respect of various disputes.

Thomas has substantial experience of working on international matters and is a fluent Dutch, German and French speaker. Prior to moving to our Dubai office, Thomas previously worked in the London office.
