Biography:

Tom Harrison-Cripps is an Associate in the London Energy & Infrastructure group.

He specialises in project finance and construction law with a particular focus on both domestic and international renewable energy transactions, particularly in relation to solar, onshore and offshore wind, biomass and anaerobic digestion projects.

Since joining Watson Farley & Williams Tom has worked in the firm's London and Bangkok offices and has been on secondment to a British engineering company which funds, develops and operates biogas plants in the UK.
