Biography:

Varian Koh is a Registered Foreign Lawyer (Singapore) in the International Finance team.

He has advised major international clients on both side of the table on all aspects of banking and finance transactions such as asset, real estate, acquisition and structured financing.

Varian regularly advises clients on all aspects of ship financing, including refinancing and leasing transactions in the maritime and offshore sector. He has experience in acting for major leasing houses in their sale and leaseback transactions and leading financial institutions in their financing of such sale and leaseback transactions.

Qualified in Singapore, Varian is fluent in Mandarin and English.
