Biography:

Verena is a SENIOR Associate in the Tax group.

Verena specialises in M&A transactions, in particular for private equity companies and strategic investors, and restructuring projects from a tax perspective. Her specialization also comprises the advisory of complex tax matters.

In M&A transactions, Verena is well qualified in the due diligence, acquisition agreement, acquisition structure and financial model review process from a tax perspective. Her experience lengths from domestic transactions to multinational cross-border transactions and includes also the set-up of joint venture structures. Further, she advised on post-deal services from a tax perspective, in particular, legal entity reduction after acquisition of a target group.

Besides this, Verena advised on several domestic/cross-border restructuring projects from a tax perspective including mergers/spin-offs/carve-outs/asset transfers and cross-border seat/management transfer.

Verena is a certified tax advisor and has a special certified qualification as a tax advisor for international tax matters.
