## **Biography:**

**Jeong Min (JM) is a senior associate in our Finance Group.**

JM specialises in asset and project finance in the Transport sector, with a primary focus on aviation. He also has a wide range of banking & finance and capital markets experience.

He advises financial institutions, airlines, asset managers, securities firms, export credit agencies, funds and lessors across a wide range of finance transactions in the aviation sector, including operating and finance leasing, debt, pre-delivery payments, engine financing, individual and portfolio sale and purchases, JOLCOs, securitisations and manufacturer support. JM also has significant experience working on capital markets transactions, including asset-backed security transactions, issuances of hybrid capital securities and equity capital increases.

JM's broader experience includes ship finance transactions, representing major energy companies on power projects (including in the oil & gas and wind sectors) and advising private equity firms in the acquisition of various target companies.

JM is US (New York and New Jersey) qualified and speaks English, Korean, German, Chinese and Japanese.
