

GLOBAL LEADERSHIP TEAM

SUPERVISORY BOARD

The Supervisory Board, led by our Senior Partner, is responsible for setting the firm's purpose and strategy and for overseeing certain operational recommendations and processes, including risk management.

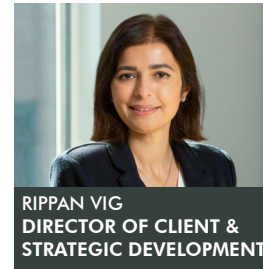

The Supervisory Board is also responsible for our firm's culture and business activities, particularly the Diversity & Inclusion (D&I) and Sustainability programmes. The Supervisory Board meets monthly online and quarterly in person.

OPERATIONS BOARD

The Operations Board, led by the Managing Partner, is responsible for all operational matters including the implementation of the firm's strategy and aligning its systems and processes across the business.

The Operations Board includes the firm's Global Business Functions Directors who manage projects and deploy resources to meet ongoing requirements. The Operations Board meets weekly and as necessary.

GLOBAL LEADERSHIP TEAM

SECTOR HEADS

Our Sector Heads are responsible for creating global business development and marketing opportunities for their respective areas of focus. Utilising the firm's USP as a sector specialist, they are tasked with developing market reputation and co-ordinating programmes to develop existing and new client relationships.
